

Pride Guide 2024

United in our fight to Be.

FESTIVAL WEEKEND,
JUNE 28-30, 2024
[PRIDETORONTO.COM](https://pridetoronto.com)

Land Acknowledgement

Pride Toronto acknowledges that we are on the traditional territory of many Nations, including the Mississaugas of the Credit, the Anishnabeg, the Chippewa, the Haudenosaunee and the Wendat peoples, and is now home to many diverse First Nations, Inuit and Métis peoples. Toronto is covered by Treaty 13 with the Mississaugas of the Credit and the Williams Treaties signed with multiple Mississaugas and Chippewa bands.

We also acknowledge all Treaty peoples – including those who came here as settlers – as migrants either in this generation or in generations past and those of us who came here involuntarily, particularly forcibly displaced Africans brought here due to the Trans-Atlantic Slave Trade and Slavery. We pay tribute to those ancestors of African origin and descent.

Our right to Be.

United, we fight to exist without adversity.

Our place to Be.

Holding space for one another, we create safety in the communities we build.

Our time to Be.

We celebrate the triumphs of generations before us. We continue their legacy for a future that allows us to be ourselves.

**Be is to proclaim our
existence. To say, 'we are
here and always will be.'
Our call to simply Be.**

Our theme this year is not just a word; it's a profound declaration echoing through the ages. It is a call to action, symbolizing our collective stand for existence without adversity, the creation of safer spaces, and the celebration of triumphs that pave the way for future generations to be their true selves. "Be" is our proclamation – a resounding statement that says, "we are here and always will be." It's a call to simply be!

A Message from Our Board Co-Chairs

As we gather to celebrate the 2024 Pride Month and Pride Festival, we must do so by acknowledging the ongoing challenges faced by 2SLGBTQI+ communities across Canada.

Reported hate crimes based on sexual orientation, sex and gender, and race are increasing year-over-year. 2SLGBTQI+ people have a lower income despite higher educational attainment compared to non-2SLGBTQI+ people. Almost 30% of 2SLGBTQI+ people report their mental health as fair or poor – and almost 55% among trans and non-binary folks – compared to only 9% for non-2SLGBTQI+ people.

Alarming, governments across Canada are scapegoating trans communities to cynically score political points, fostering greater harm and risk of violence against some of the most marginalized people in our society. Trans folks are experiencing the reemergence of the hateful rhetoric that our community confronted during the 20th century liberation movement.

The anti-trans legislation, policies, and rhetoric promoted by the Premiers of Alberta, New Brunswick, and Saskatchewan, and the federal Conservative Party leader, are turning back the hard-fought progress that 2SLGBTQI+ people have achieved.

Despite these bleak times, remember that we are collectively stronger together and must use our power to defend one another. Pride is, after all, both a celebration and a political movement to defend our human rights, and it will continue to be.

Be Brave, Be Bold, Be Fierce, Be YOU! – and by doing so, nothing will stand in our way.

Happy Pride,

Grant Gonzales
Co-Chair, Board of Directors

A Message from our Executive Director

I'm excited to present Be_____, our Pride Toronto 2024 festival theme.

Our 2SLGBTQI+ communities are known for resilience, creativity, and strength. Pride is a moment of celebration and a reminder of the work ahead, showing our combined efforts have the potential to produce measurable and lasting benefits for generations to come.

In 2024, we persist in demanding change for 2SLGBTQI+ communities and all marginalized groups who still cannot Be_____. Recent years have witnessed a surge in legislation targeting our rights, both domestically and globally, particularly affecting our trans siblings, people of colour, and their families. These attacks necessitate our unity and resistance, reinforcing my belief that Pride Toronto embodies both celebration and protest.

This year, we embrace our community's beauty and talent, united in love, joy, and advocacy for change. I encourage you to take the time to show support to each and every one of us, knowing we stand together in resilience to simply Be.

Kojo Modeste
Executive Director

A Message from the Prime Minister

PRIME MINISTER • PREMIER MINISTRE

Message from the Prime Minister of Canada

It is with great pleasure that I welcome everyone to the 2024 Pride Toronto.

Today, we celebrate the incredible progress made in the equality and rights of Canada's 2SLGBTQI+ people. This progress is due to the courageous advocates who fought against discrimination, doing so while they faced immense backlash. Those here today know that while progress has been made, we still have work to do in creating a more fair and just society for 2SLGBTQI+ individuals. Our government strongly stands with the 2SLGBTQI+ community, and we will protect your hard-fought rights.

This year's theme, "Be" is very fitting to Canada. Diversity is our country's greatest strength, and Canadians from coast-to-coast-to-coast are encouraged to be who they are. 2SLGBTQI+ individuals have faced many challenges in being able to fully embrace who they are. This year at Pride Toronto, I hope you celebrate what makes you unique, and beyond Pride, you feel empowered to live authentically.

I wish you all a fantastic Pride celebration filled with entertainment, inspiration, and joy.

Please accept my very best wishes.

A Message from the Mayor

MESSAGE FROM THE MAYOR

It is my pleasure to extend warm wishes to everyone attending the Pride Toronto 2024 Festival!

The Pride Toronto 2024 Festival is a vibrant celebration of Toronto's Two Spirit, Lesbian, Gay, Bisexual, Trans, Intersex, Queer, and Questioning (2SLGBTQ+) communities. We are proud hosts of this festival, which includes one of the largest parades in North America.

Pride is a time for unity, resilience, and celebration of everything that 2SLGBTQ+ communities contribute to our city's socio-economic, cultural, and political life.

Born as a protest, Pride is also a yearly reminder that we must continue to work together to build a safer and more caring city, where everyone is welcomed. As a long time advocate for 2SLGBTQ+ rights and now Mayor of Toronto, I will not waver in my commitment to ensure our city is a place where the 2SLGBTQ+ community can peacefully and joyously "Be" long.

On behalf of Toronto City Council, I offer my best wishes for a very enjoyable and memorable Pride.

Yours truly,

Olivia Chow

A Message from Our Local MP, MPP, and City Councillor

We extend a warm welcome to all of you as we celebrate Pride 2024. This year's theme, Be Proud, serves as an empowering affirmation for everyone within and supportive of our diverse 2SLGBTQ+ communities.

We take this opportunity to express our deepest gratitude to the dedicated festival organizers, tireless volunteers, generous donors, and supportive sponsors. Without you, our collective celebration of Pride wouldn't be possible.

The Pride Festival is more than a celebration. It is a profound declaration of our community's resilience, courage, and unwavering spirit. It is especially crucial for queer youth and trans individuals who continue to face legislative disparities and increasing intolerance worldwide. Your participation in this festival validates their experiences and reinforces the love we have for them.

Toronto, Ontario, and all of Canada strive to be the most welcoming and safe places for all. As representatives of Toronto Centre, home of the Church Wellesley Village, we pledge to work relentlessly to uphold and further enhance this commitment. Our shared mission – to advance equity and inclusion across all spheres of society – remains at the forefront of our work within our respective orders of government.

No matter who you are, where you're from, or how you self-identify, Toronto Centre is your home, your sanctuary. We work tirelessly to ensure our community persists as a haven of acceptance, safety, and solidarity, a place where everyone has the freedom to be their authentic selves without fear or prejudice.

As we celebrate Pride, let's remember the importance of love and acceptance in our world. Toronto Pride is a beacon of queer joy and solidarity in the face of rising threats to 2SLGBTQ+ people at home and abroad. Your safety and ability to access affirming health care must never be rolled back. Stand tall, embrace who you are, and take pride in your identity. Together, we fuel the progress of inclusivity and acceptance and ensure a brighter future for all.

Newcomer's Pride

Saturday, June 8th 12PM to 5PM
349 Ontario Street

In response to the escalating criminalization of LGBTQ+ identities in countries like Uganda, Kenya, and Ghana, a significant number of LGBTQI+ refugees and asylum seekers have found sanctuary in Toronto. To celebrate their resilience and welcome them into the local community, a dedicated Pride event, Newcomers Pride, is proposed to coincide with Toronto Pride. This event aims to offer a safe, inclusive space for LGBTQ+ newcomers, fostering a sense of belonging and empowerment. The day will feature a mix of activities including an opening ceremony, educational workshops on LGBTQ+ issues and rights, film screenings to broaden understanding of diverse experiences, and art exhibits and performances to celebrate LGBTQ+ themes. Additionally, a themed photo shoot and networking sessions will encourage community connections, ensuring newcomers can engage with both peers and established members of the LGBTQ+ community in Toronto, creating lasting bonds and support networks.

Miles Nicholas
Youth Ambassador

Hello! I'm Miles, and I'm thrilled to be serving as the Youth Ambassador for Pride 2024. Coming from Kenya, I bring a vibrant mix of experiences and passions to my advocacy work within the 2SLGBTQ+ community. Since arriving in Canada in October 2023, I've been on a learning journey of empowerment and activism. From collaborating with organisations like SOY at Sherbourne Health Centre to being a mentee at the Nia Center for the Arts, I've used my skills as a photographer and writer to amplify the voices of black and queer youth. Sometimes, I may joke that I'm mostly a photographer, but I immensely enjoy storytelling through visual imagery.

Since arriving in Canada in 2019, she has volunteered as a champion with the Ontario Council of Agencies Serving Immigrants, served on the board of directors for FrancoQueer in 2021/2022, and currently sits as a board member for Action Positive VIH/Sida. Her dedication and passion for inclusion and diversity make her a true inspiration for everyone she encounters, especially in her role as a settlement worker at FrancoQueer, where she supports newly arrived 2SLGBTQIA+ francophone individuals in their integration process in Canada.

Powered by pride.

Community Connect

Hosted in Scarborough, Etobicoke and North York, Community Connect aims to create more visibility and awareness for the 2SLGBTQI+ communities outside of the downtown core. We continue to work with organizations and collectives in each area to create meaningful and impactful experiences for participants. Keeping in alignment with this year's theme Be_____ we believe that members of the 2SLGBTQI+ community have the right to Be Seen, Be Acknowledged and Be Celebrated in places they call home. For some community members, taking Pride outside of the downtown core has given them an opportunity to feel safe to celebrate who they are and the ability to connect with others in the 2SLGBTQI+ folx community.

Trans Pride

Join us in celebrating the resilience, strength, and beauty of the Trans community at the largest Trans March in the world! This event is a powerful and important space for Trans, 2 Spirit, and nonbinary individuals to gather and celebrate their identities while also raising awareness and fighting for Trans human rights. The rally, featuring powerful speakers and performers, is a space for folks to gather and prepare for the march with sign-making and community-building activities. During the march, we honour and center the experiences and struggles of Trans, nonbinary, and 2 Spirit folks, reaffirming that their existence is valid, necessary, and deserving of respect and dignity. This year's Pride theme is "Be ____". We want attendees to experience and embody "The Joy in Authenticity and the Joy in Just BEING".

brOWN//out

brOWN//out is the "south asian" community stage at Pride Toronto since 2011. It is a mixtape of adventures. Rushing from waters, mountains and plains of homeland(s) through the diaspora and back. Over and over again. brOWN//out is a community space for "south asian" queer and trans artists: singers, poets, dancers, drag and burlesque artists, musicians and more. The brOWN//out collective is supported by a multitude of artists, organizers, agitators, dreamers and do-ers.

Curated by the brOWN//out Collective

*the term "south asian" is used strategically: there is no way to adequately represent all the complexities of having identities connected to "South Asia," which can include diasporic, Nepali, NRI, Tamil, Indo-Caribbean, Oriya-speaking, brown, Fijian, Maldivian, mixed-race, Pakistani, and more. The inadequateness of the term means that many "south asian" community spaces have perpetuated the harm of exclusion, in particular of Black "south asian" folks, Dalit folks and more. brOWN//out can be, and needs to be: a place for disrupting these exclusions, collectively dreaming and (re)building.

Then the party keeps on going with a bevvy of 90s House Divas including CeCe Peniston ("Finally"), Simone Denny of Love Inc. ("Superstar" and "All Things (Just Keep Getting Better)"), and Ultra Naté ("Free" and "If You Could Read My Mind"). Lastly, we come up to the present and approach the future with BIMINI (Rupaul's Drag Race UK) and Keisza ("Hideaway") who is keeping the spirit of Pride alive.
