WE ARE ALL IN. ARE YOU?

FESTIVAL WEEKEND
JUNE 26-29
[PRIDETORONTO.COM](https://pridetoronto.com)

LAND ACKNOWLEDGMENT

Pride Toronto acknowledges that we are on the traditional territory of many Nations, including the Mississaugas of the Credit, the Anishnabeg, the Chippewa, the Haudenosaunee and the Wendat peoples, and is now home to many diverse First Nations, Inuit and Métis peoples. Toronto is covered by Treaty 13 with the Mississaugas of the Credit and the Williams Treaties signed with multiple Mississaugas and Chippewa bands.

AFRICAN ANCESTRAL ACKNOWLEDGMENT

We also acknowledge all Treaty peoples – including those who came here as settlers – as migrants either in this generation or in generations past and those of us who came here involuntarily, particularly forcibly displaced Africans brought here due to the Trans-Atlantic Slave Trade and Slavery. We pay tribute to those ancestors of African origin and descent.

ALL IN IS A CALL TO COME
TOGETHER
TO STAND TOGETHER IN UNSHAKABLE SOLIDARITY.
IT'S A PROMISE TO
SHOW UP FOR ONE ANOTHER EVERY SINGLE DAY, UNITED IN OUR
FIGHT FOR A FUTURE
WHERE EVERYONE CAN LIVE UNAPOLOGETICALLY AS THEY ARE.

ALL IN EXTENDS FAR BEYOND CITY LIMITS, INVITING PEOPLE
FROM ALL AROUND TO
CELEBRATE, AND JOIN
AND MAKE THIS MOVEMENT THEIR OWN.

THIS IS OUR COLLECTIVE SPIRIT.
A SPIRIT THAT THRIVES ON
DIVERSITY
INCLUSIVITY AND JUSTICE.
CONTINUING PRIDE TORONTO'S LEGACY
OF CREATING SAFE
SPACES FOR ALL WHO
WALK WITH US. EVERYONE. EVERYWHERE. ALL IN.

A MESSAGE FROM OUR BOARD CO-CHAIRS

We are ALL IN as we celebrate the 2025 Pride Month and Pride Festival. We acknowledge the increasing challenges faced by 2SLGBTQI+ communities across Canada. We face a coordinated attack against our hard-won human rights and we are already impacted by the increasing flow of hate emanating from the USA.

We fought these battles before and we must continue to fight!! Reported hate crimes against Trans folX continue to increase. Trans folks are experiencing the reemergence of hateful rhetoric. Until every 2SLGBTQI+ person around the world and in Canada is safe, none of us can claim to live in a free society.

A federal election has just happened and it is our responsibility to hold our elected officials accountable for their promises to keep all their constituents safe and able to live our lives free from transphobia, homophobia, racism, sexism, ableism, ageism, violence, oppression and fear.

We must stand together in solidarity! Bell Hooks said, "solidarity is a shared struggle that requires us to show up, listen and fight for one another. It is love in action." Pride is a celebration and a political movement to defend our human rights.

We are ALL IN! We refuse to be invisible. Nothing will stand in our way. We Will Win.

Please come out and Celebrate Pride 365 with us! (Join us at the Two Spirit Powwow, our Community Connect events, the Trans and Dyke Marches, our mini Prides and the ultimate party Festival Weekend!)

Happy Pride!

A MESSAGE FROM OUR EXECUTIVE DIRECTOR

All In—Are You?

As we step into Pride 2025, we do so with hearts full of courage and an unwavering commitment to each other. In a world where the political landscape can feel uncertain and where hard-won rights are challenged and voices of division try to drown out love, we stand stronger together. With the increasing attacks on transgender rights, it's more important than ever to use Pride as a platform for visibility, education, and advocacy. We'll make sure to centre voices from across the community and shine a light on the urgent need for justice and protection for all 2SLGBTQI+ people.

Pride has always been a powerful act of resistance and a celebration of authenticity. It's a reminder that visibility, community, and solidarity are transformative forces. This year, we march, celebrate, and advocate not just for ourselves, but for every member of the 2SLGBTQI+ community in Canada and abroad, especially those whose rights and safety are under threat.

At the same time, Pride is a powerful engine for joy and community connection, creating space for artists, performers, and local businesses to thrive. The events, markets, and celebrations not only spotlight 2SLGBTQI+ creativity but also provide a significant boost to the local economy supporting independent creators and fostering inclusive spaces that benefit everyone.

We're committed to honoring the full spectrum of Pride recognizing our roots as both a protest and a celebration of love, identity, and resilience. We want to highlight the rich history of 2SLGBTQI+ activism while amplifying the ongoing struggles for equality worldwide.

Wishing everyone a joyful and empowering Pride season. Together, there is nothing we can't overcome. So, are you ALL IN?

Happy Pride Toronto!

A MESSAGE FROM PREMIER DOUG FORD

Hello and welcome to everyone celebrating Pride Month in the Toronto Pride Festival.

This much-anticipated festival is one of the most dynamic and exciting Pride events in the world, with a whole month of 2SLGBTQI+ festivities, including street fairs, parties, performances by world-class artists, and of course, parades with spectacular floats and costumes.

Many thanks to the amazing and creative folks at Pride Toronto for putting together this Pride Guide to help festival-goers plan the perfect visit to Ontario's vibrant and diverse capital.

Together, let's continue to empower Ontario's 2SLGBTQI+ communities — and build a more vibrant and inclusive province for everyone.

Have a fabulous Pride Month and welcome to Ontario!

A MESSAGE FROM THE MAYOR

MESSAGE FROM THE MAYOR

Welcome to the Pride Toronto 2025 Festival!

The City of Toronto is very proud to host the Pride Toronto 2025 Festival which celebrates and honours Toronto's Two Spirit, Lesbian, Gay, Bisexual, Trans, Intersex, Queer and Questioning (2SLGBTQI+) communities and also includes one of the largest Pride parades in North America!

Pride began as a protest when activists fought for equal rights and justice following the 1981 Toronto bathhouse raids. I have had the honour of joining Pride for over three decades and the Pride Toronto 2025 Festival is the perfect time to demonstrate our love and unwavering support for Toronto's strong and resilient 2SLGBTQI+ communities. This support is more important than ever as we witness the very real erosion of rights in the United States and similar attempts taking place here in Canada. Let us celebrate the 2SLGBTQI+ communities' diverse, unique and valued contributions to our city's socio-economic, cultural and political life.

As Mayor of Toronto and advocate for 2SLGBTQI+ rights, I am "All In" in my ongoing commitment to equity and inclusion of 2SLGBTQI+ communities in Toronto.

On behalf of Toronto City Council, I offer my best wishes for a very fun, enjoyable and memorable Pride.

Yours truly,

Olivia Chow

A MESSAGE FROM OUR LOCAL MPP & CITY COUNCILLOR

Happy Pride

Welcome to Pride 2025! We are thrilled to have you join us in this vibrant celebration of love, diversity, and self-expression.

As Trans and Queer rights are under attack, particularly south of our border, and where incidents of hate are increasing across our nation, it is crucial that we unite as a community and support one another.

This year, we must pay close attention to who our allies are and which organizations are steadfast in their commitment to not only supporting pride festivals financially but also support policies that advance diversity, equity, and inclusion.

We would like to express our heartfelt gratitude to the incredible festival organizers, tireless volunteers, generous donors, and dedicated sponsors. Your efforts make this collective celebration of Pride possible, and for that, we are immensely thankful.

To our Trans, Non-Binary, and Queer community members: you are loved. As your representatives in Toronto Centre, home of the Church Wellesley Village, we are committed to defending your human rights, ensuring your access to gender-affirming healthcare, and providing every opportunity for you to flourish. We look forward to marching shoulder-to-shoulder with you in the largest Trans March in the world as well as the Parade on Sunday.

Toronto Centre is a sanctuary for everyone, irrespective of your background or how you identify. We are dedicated to maintaining our community as a place where you can live your truth without fear or judgment.

As we celebrate Pride, let us reflect on the power of love and acceptance in our world. Toronto Pride stands as a beacon of joy and solidarity for the 2SLGBTQ+ community. Stand proud, embrace your identity, and take pride in who you are. Together, we are driving progress through inclusivity and ensuring a brighter, more equitable future for all.

We're ALL IN!

CHARITY OF CHOICE

Canvas Programs is a thriving Toronto-based charity that provides empathy-based education on 2SLGBTQIA+ inclusion and consent in schools, community spaces, and workplaces. Our arts-inspired programming has reached over 50,000 people, creating spaces where 2SLGBTQIA+ people can live authentically, survivors of sexual violence are believed, and youth have the tools to form safe, caring relationships. Canvas' education is essential in combating the current rise in homophobia and transphobia.

INTERNATIONAL GRAND MARSHAL

Pau González Sánchez is a trans masculine community leader and advocate for LGBTQI+ rights in Panama. He is the co-founder of the country's first transmasculine group (Hombres Trans Panamá) and the first Association of Family and Friends of LGBTQI+ People (PFLAG-Panamá).

During the COVID-19 pandemic, he led efforts from civil society to document human rights violations suffered by the transgender population in Panama due to binary quarantine measures.

For the past 6 years, he has led, jointly with allied lawyers and CSOs, strategic litigation efforts for the recognition of gender identity rights in Panama. In 2024, he filed a complaint against the Panamanian state with the IACHR, arguing that the legal requirement for a medical-legal examination to change gender markers on official documents constitutes cruel treatment equiparable to torture that violates human dignity.

Pau has represented Panama globally, including in the Human Rights Campaign's Global Innovators Program, and presented at the UN Human Rights Council through RFSL's Rainbow Advocacy Program.

Currently, Pau works as real estate agent, property manager, and consultant for the National Campaign for Free and Equal of the UN High Commissioner for Human Rights. He also coordinates the Archive Project of the Historical Memory of Transmasculine and Trans Men in Latin America, which aims to document the lives and stories of trans men over 40 years old.

HONOURED POSITIONS AND GROUPS

For the first time ever, Pride Toronto is excited to announce that we have four Trans ambassadors proudly representing Pride 2025! The time is now. In light of the challenges faced by our Trans siblings, we stand united—fully committed to supporting the trans community this year and beyond. Introducing our Trans ambassadors:

CATTLEYA SAGE KEB
TRANS AMBASSADOR

Cattleya Sage Keb is a proud transgender woman dedicated to advocacy, education, and inclusivity. Transitioning later in life has come with challenges, but she remains committed to raising awareness about trans rights and healthcare accessibility. With two business degrees and a mental health certification, she worked at Casey House on a trans health initiative funded by WAGE, identifying and addressing barriers in the healthcare system. She is also creating a documentary about her lived experience to further trans visibility and support future generations.

FAE JOHNSTONE
A CHAMPION FOR QUEER AND TRANS RIGHTS

Fae Johnstone is a leading advocate for queer and trans rights in Canada, with over a decade of activism. As Executive Director of Queer Momentum, she mobilizes advocates nationwide. A frequent voice in Canadian media, she has been featured in major publications and campaigns, including Hershey's International Women's Day initiative. Fae co-owns Wisdom2Action, a consulting firm advancing 2SLGBTQIA+ inclusion. Recognized with numerous awards, she continues to drive social change. Follow her on Instagram @Faedingaway.

PEPPER ESPIN
TRANS AMBASSADOR

Originally from Irapuato, Mexico, Pepper Espin (they/them) is a non-binary opera singer and peer support specialist. A former countertenor in Mexico City, they discovered their trans identity while studying performing arts. After surviving a transphobic attack in 2021, Pepper sought refuge in Canada, where they rebuilt their life. They now work in harm reduction and peer support while performing as a Drag Opera Singer in Toronto festivals. In 2024, they were granted protected person status, continuing their mission of advocacy and artistic expression.

LULA ABDO
TRANS AMBASSADOR

Lula Abdo (she/her) is a Yemeni trans advocate and community leader supporting trans and non-binary newcomers. As the Arabic Trans Power Project Coordinator at ASAAP, she provides essential resources and support. Lula's journey from persecution to empowerment began with her asylum in Canada in 2019. Despite challenges, she built a new life through activism and work in the culinary industry. Her advocacy spans 519's TPOC Project, Fife House, and MSSP, ensuring trans individuals receive healthcare, housing, and community support. Lula is a beacon of resilience and empowerment.

PRIDE TORONTO'S AMBASSADORS

TWO-SPIRIT AMBASSADOR

As seen on Canada's Drag Race Season 3, Chelazon Leroux is Layten Byhette's stage name. Chelazon (she/he/they) is a two-Spirit Dene First Nations Multidisciplinary Artist. Chelazon's artistic pursuits include Drag, stand-up comedy, and social media content creation.

Chelazon uses her Indigenous identity—as a status member of Buffalo River Dene Nation (Treaty 10) and family ties to Fond Du Lac First Nation (Treaty 8)—as the foundation for her creative works. Chelazon is best known for her Auntie persona and TikTok posts. Chelazon uses her social media influence to educate and entertain audiences worldwide.

Her goal is to utilize her responsibilities as a Two-Spirit multimedia artist to bring Two-Spirit's historical role into the modern world; and to educate and entertain audiences worldwide on the experiences, stories, and beauty of Indigenous identity.

BI+ AMBASSADOR

Jasper Bryan (he/they) is a bi and genderqueer expressive arts therapist, facilitator, artist, and children's book creator. A strong advocate for the bi+ community, they co-founded Getting Bi+, Toronto's only expressive arts therapy group for bi+ individuals. Jasper integrates art and mental health to empower others and has volunteered with the Bi+ Arts Festival while supporting queer clients of all ages. Passionate about creativity, they love glitter, rollerblading, and rainbows. Learn more at queerarttherapy.com or on Instagram @queerarttherapy.

BIPOC AMBASSADOR

BIPOC Executive Search Inc. is an executive search firm that serves as a catalyst for systemic transformation. Committed to dismantling barriers that marginalized communities face when pursuing positions of leadership—which they believe is an absolute must in their collective quest to realize true systemic change for the 2SLGBTQI+ community—BIPOC Executive Search centres its work on the principles of equity, diversity, inclusion, and accessibility (EDIA). By partnering with organizations that share a vision of inclusive leadership and organizations that they've been able to educate, they're paving the way for a future where equity is not aspirational but a lived reality. The firm opened its doors in 2020 and was founded by Jason Murray—a Black cis male who is part of the 2SLGBTQI+ community. The firm is comprised of 14 team members, with over one-third identifying as part of the 2SLGBTQI+ community and approximately 85% being part of the BIPOC community.

PRIDE TORONTO'S AMBASSADORS

DYKE AMBASSADOR

I am a Black African lesbian, a survivor, and an advocate. In 2019, I fled my home country to escape violence and persecution. Arriving in Canada as a refugee was both terrifying and freeing, but step by step, I built a life I'm proud of.

As a Registered Practical Nurse with global healthcare experience, I'm now pursuing my Nursing degree to deepen my impact. Healing is an ongoing journey—through therapy, community, and hope. Despite challenges, I hold onto the belief that better days are ahead.

As the 2025 Lesbian Ambassador, I stand for those who feel unheard, especially young Black African LGBTQ+ individuals, showing them that it's possible to rise above hardship and live authentically. I believe in the power of care, empathy, and human connection.

No matter where you are on your journey, know this: You are worthy. You are strong. You are never alone.

NEWCOMER AMBASSADOR

Hale Nouri, a transgender woman from Iran, spent seven years as a refugee in Turkey before resettling in Canada. Her lived experience fuels her advocacy for marginalized communities. As a Support Coordinator at the Trans Power Project under ASAAP, she empowered transgender individuals and supported those affected by HIV/AIDS. Now a Settlement Worker, she assists Middle Eastern newcomers in their journey toward stability. Committed to social justice, Hale envisions a world where dignity, opportunity, and well-being are accessible to all.

YOUTH AMBASSADOR

Haniya Amir, a Pakistani trans youth influencer, is a vocal advocate for transgender rights and visibility. Despite societal stigma, they embraced their identity and now inspire others through social media, with over 250K followers across Instagram, YouTube, and TikTok. Haniya shares personal experiences, promotes gender inclusivity, and showcases Pakistani Punjabi culture through dance. They have contributed to international discussions on LGBTQ+ rights and mental health advocacy, using their platform to foster confidence, resilience, and acceptance for transgender youth in Pakistan and beyond.

SOBER AMBASSADOR

My name is Sharath Iyengar, a gay man in recovery. Writing these words reflects a long journey of self-acceptance. I moved to Toronto from Bangalore in 2021, carrying the weight of a conservative upbringing, childhood trauma, and struggles with substance use tied to my identity. I turned to alcohol and cannabis to cope, but denial and self-sabotage led me to rock bottom when my partner left. Recovery has been challenging, but I'm grateful for the support of ACT, CAMH, HassleFree Clinic, and HQ. Through activism and volunteering, I've found purpose, resilience, and hope.

YOUTH SUMMIT

The Annual Youth Summit is a dynamic platform for 2SLGBTQI+ youth and allies to celebrate diversity, foster empowerment, and advocate for a world where everyone can live boldly and unapologetically. Now in its seventh year, this initiative brings together queer youth aged 11 to 19 to engage in conversations and activities that help bridge the gap between sports and the 2SLGBTQI+ community. This year, we aim to place a stronger focus on the intersection of queer youth and sports, emphasizing the message that they belong and deserve a space in all areas of life. The day will kick off with an opening ceremony, followed by engaging sports activities, and conclude with a keynote address and celebration, affirming our collective commitment to being "All In!"

COMMUNITY CONNECT

Hosted in Scarborough, Etobicoke, and North York, Community Connect aims to create more visibility and awareness for the 2SLGBTQI+ communities outside of the downtown core. We continue to work with organizations and collectives in each area to create meaningful and impactful experiences for participants.

Keeping in alignment with this year's theme, All In, we believe that members of the 2SLGBTQI+ community have the right to be fully included, uplifted, and celebrated in places they call home.

For some community members, taking Pride outside of the downtown core has given them an opportunity to feel safe to celebrate who they are and the ability to connect with others in the 2SLGBTQI+ community. This year, we are spotlighting local artists from Scarborough, North York, and Etobicoke, ensuring that the talent and voices of these communities shine.

Pride Toronto 2025 is a vibrant celebration of unity, strength, and unwavering solidarity within our diverse community. It serves as a powerful reminder that every one of us belongs—whether our ancestors walked these lands centuries ago, we found refuge here after being forcibly displaced, or we chose this place as our home. In 2025, we are “All In—all in for joy, for love, for resilience, and for the continued fight for freedom. Together, we rise, united in our collective pride, as we honour our past, embrace our present, and forge a future where everyone is celebrated. TRANS PRIDE

CELEBRATING RESILIENCE, UNITY, AND PRIDE

Join us as we go ALL IN to celebrate the strength, resilience, and beauty of the trans community during the world's largest trans march. This momentous event offers a powerful space to honour trans, non-binary, and two-spirit identities while raising awareness and advocating for trans human rights. The rally features inspiring speakers and performers, creating a supportive environment where trans individuals can connect, prepare for the march, and engage in community-building activities like sign making.

We begin with the Trans Community Fair which showcases trans community groups; and close off the night with the Trans Afterparty at the Community Stage.

As we march, in this time of rising hate across the world, we reaffirm the validity and beauty of trans existence, and stand together in solidarity to ensure every trans, non-binary, and two-spirit person is respected, valued, and embraced.

Allies are welcome to join, but we ask for their respect in leaving space for trans folks to lead and celebrate at the forefront.

Prepare to lose yourself in the crowd and feel the pulsating atmosphere as the night comes alive with raw, unfiltered energy. Tonight, everything is unleashed—nothing is too taboo, no impulse too wild. Get ready to sweat, to grind, and to be consumed by the sleazy, hi-octane sounds from the likes of infamous electro pop duo Frost Children and local taste makers ARD1N, Sophie Jones, and Curaga. This is not for the faint of heart. This is for the fearless, the hungry, the ones who live for the thrill of the afterdark. SLEAZE is waiting for you.

DYKE PRIDE

CALLING ALL DYKES AND LESBIANS!

Join us for Pride Toronto's annual Dyke March, where we come together to celebrate our community with the theme "All In." This event is a chance to raise our voices, uplift our identities, and show the world that we are unapologetically united.

Start the day with inspiring speeches, performances, and sign making that will energize us for the march. At 2PM, we'll march loud and proud through the streets of Toronto. While this event is specifically for Dykes and Lesbians, allies are welcome to join. We kindly ask that allies leave space at the front during the march for Dykes and Lesbians to lead the celebration.

After the march, keep the energy alive at the Afterparty and Community Fair at Church St. & Gould St! Enjoy performances from Dyke and Lesbian artists, DJs spinning, and a marketplace where Dykes and Lesbians can showcase their art and community organizations.

Let's show up, show out, and celebrate our community—All In for Dykes, All In for Lesbians, All In for Pride!

BROWN//OUT

Curated by brOWN//out collective

Since 2011, brOWN//out has been the community stage for "south asian" queer and trans artists: singers, dancers, drag and burlesque artists, musicians and more. Rushing from waters, mountains and plains of homeland(s) through the diaspora and back, brOWN//out is a mixtape of adventures.

*"south asian" is used strategically: there is no way to adequately represent all the complexities of having identities connected to "South Asia". brOWN//out disrupts exclusions while collective dreaming and (re)building.

Long Live the Rainbow is a play exploring Toronto's 2SLGBTQ+ community during the 1970s and 80s. Matt, a journalist, seeks a way out, while Roger, a teacher, struggles with his identity. They meet Moe/Moereen, an immigrant who shows them unconditional love, and radical lesbians Sandy and Jo, who broadcast news in defiance of the law. explore the human body through
dance and art, reflecting both

The Julian and Sandy Sketches
(or Polari for Dummies) is a
staged reading event celebrating
the lost gay language Polari,
taking place June 25–26, 2025,

Originally from the 1960s BBC
radio show Round the Horne, the

of persecution. This Canadian
debut adapts London settings
to Toronto and features mid-60s
fashion, witty dialogue, and a

history and resilience, the

Paid Event / Must be 19+

Roots & Groove is a cultural initiative addressing the marginalization of Black Queer Africans in Toronto's queer landscape. Despite the city's inclusive reputation, this community often faces systemic racism, queerphobia, and lack of authentic representation. Roots & Groove responds by creating a safe, celebratory space that centers both Blackness and queerness—fostering belonging, empowerment, and cultural expression. In June, the initiative will launch its first Afro Black Pride celebration, not just as a party, but as a declaration of the community's presence and resilience. The event marks the beginning of an ongoing effort to uplift and unify Black Queer Africans in Toronto.

We've been making changes.

Nothing about you, without you

Thanks to 2SLGBTQIA+ advocacy, consultation and collaboration, Canadian Blood Services is building more inclusive donation processes and spaces.

WHAT'S CHANGED

► Sept 2022

All blood and plasma donors now
answer the same sexual behaviour
questions, regardless of gender or
sexual orientation. Trans donors
are no longer asked about
gender-affirming surgeries.

► May 2024

We formally apologized to
2SLGBTQIA+ communities for
the impact of our previous policies
and their role in discrimination,
homophobia, transphobia and
HIV stigma.

WHAT'S NEXT

We're actively working to roll out
non-binary gender options and
chosen-name fields in our
registration system, so our forms
reflect who you are.

We wouldn't be Canada's Lifeline without you

To those who now feel seen in these
changes—thank you. And to those
who aren't there yet—we see you,
and we'll keep working to earn your
trust and make our donor centres
more inclusive and welcoming for
all communities.
